## **WELLBEING & CHRISTMAS CRAFT FAIR**

---

Having spent many years going to Holistic Fairs and working at them also. I decided it was time to hold a Holistic Fair with a Difference! So I got a group of Therapists together to organise this health, wellbeing and Christmas Craft Fair WITH A DIFFERENCE!

THE DIFFERENCE IS at our fair the emphasis is on holistic & spiritual healing therapies! There will be no Psychics or Tarot Readers, only Angel Readers & intuitive healers!

So far the reaction from the holistic world of therapists has been wonderful and the crafts are all handmade crafts which will make beautiful gifts for family and friends for christmas. There will also be some top quality Holistic Retailers at the event...such as The Angel Shop, Dun Laoighre, Aura Photography, Large Crystal Stand and the icing on the cake is our Guest Speaker is "Aidan Storey"!!! Intuitive Angel Healer and renowned Author of "Angels of Divine Light" his autobiography. This will be a very enjoyable event for all the family....adult entrance fee is only €3 and children are FREE! FREE PARKING is also available on grounds of the hotel. There is a wonderful carvery dinner available in the lounge of the hotel, so you have no excuse but to eat out and make a day of it for you, family and friends! Do pass the news around about this event and I look forward to greeting you on the day! You can read more about this wonderful event on the following blog <http://whitelighteventsireland.blogspot.com/>

## ANGELS & CRAFTS EVENING

---

This is the course you have been waiting for! An opportunity to learn how to make beautiful christmas crafts and angels. This course will be run by a very good friend of mine, Phil Hartnett who has kindly agreed to run this course at Spiritualrays. On this evening the emphasis is going to be on working with the angels of fun, Christmas, and laughter. Phil has infinite patience and works with everyone at their own speed...she is a truly inventive and creative teacher. Phil like me is an Angel teacher with the Diana Cooper School of Angels in UK. A truly gifted lady!  
Course will be held in Spiritualrays from 7pm - 10pm on Thursday 3rd December, 2009.

Come along and bring a friend to join us for this evening of fun and laughter with the angels. You will go home with some new skills in creative craftmaking.

The best part is the price of the course is just €45 and this includes tea & biscuits...maybe even a glass of wine given the season!!

Book early as places are limited to a small group![BOOK HERE](#)

A percentage of the proceeds of this course will go to Phils favourite charity!
