

Haiti Earthquake Appeal
Fundraising Evening at Spiritualrays
Cheese & Wine Event

New Business Launch - Aloe Vera

I feel strongly, that hosting an event which is promoting healthy products is an ideal way to raise a) the much needed money to help the survivors of the Haiti Earthquake whose health depends on our donations and b) awareness of the importance of looking after our own health!

So with this in mind, I am delighted to invite you to a
Cheese & Wine Evening at Spiritualrays on
Thursday 4th February, 2010 starts at 7.30p.m.

***The proceeds of this evening will be given to the Haiti Earthquake
Appeal Fund run by Goal!***

1. You will be introduced to the full Aloe Vera Health Promoting Product Range and be given the opportunity to learn how these healthy products can be part of your everyday life.
2. You will be supporting me in the launch of this wonderful new part of my business.
3. You will get to meet other like minded people who are interested in improving their health.
4. You may know someone who is need of a business opportunity, or who has lost their job or suffered a drop in salary and are searching for an innovative way to earn more income in their own time at their own pace. Bring them along so they can enjoy the evening and learn more.
5. Lastly, but ***most importantly*** you will be playing a part in supporting an event which will help the survivors of the Haiti Earthquake who continue to suffer the aftermath of this disaster.
